## LEARN MORE ABOUT NRCA

NRCA sponsors events and contributes to local causes:

- Looking to meet new neighbors and make a difference in your community? NRCA provides a “town hall,” with a monthly meeting and an informative website to keep its nearly 3,000 households up to date about City issues such as schools, zoning, development, traffic calming, and parking. The Association engages the City on these and other matters of importance to the neighborhood.
- Want to enjoy the holidays with your neighbors? NRCA runs a holiday tree sale (its biggest fundraiser), and a tree lighting ceremony that includes a visit from Santa.
- Want to plant some new trees? NRCA supports the local Tree Champions and other programs to preserve and improve our green canopy.
- Ready to rumble? “Wheel Day” each Memorial Day weekend is NRCA’s kid parade of bikes, wagons, strollers, and everything that rolls.
- Playground bound? NRCA’s adopt-a-park program encourages stewardship of Beverley Park (aka “the Pit”).
- Support your local schools? NRCA provides citizenship awards and scholarship donations for outstanding students and sponsors the TC Williams all night graduation party.
- Want to express support for police and emergency responders? Join us for National Night Out each August.
- Planning to remodel your house? NRCA serves as a forum for helping homeowners ready their building and remodeling plans for City approval.
